

HUNDREDS HERE  
ENDORSE TANLAC

George Sachs, Well-Known  
Business Man, Among Lat-  
est Restored by Cele-  
brated Medicine.

Hundreds of Washington people, both men and women, are now endorsing and gratifying results and numbers have called at the drug stores in the past few days to obtain the medicine and tell of the benefits they have derived from its use.

Among those who called was George Sachs, well-known Washington business man, residing at 1229 Ninth street northwest. Mr. Sachs is proprietor of the Standard Furniture Company at 513 Tenth street northwest, specializing in period, or antique, furniture. In relating his experience with Tanlac, Mr. Sachs said:

"Well, sir, it did not take me long to find out what your Tanlac will do for a person suffering from stomach trouble and a run-down condition. For two years past I have had indigestion of the worst sort and it looked like nothing would do me any good. My appetite went back on me and after every meal I would bloat up with sour gas and feel miserable for hours.

"I was not only in need of a stomach medicine, but I was also in need of a spring tonic, being in a general run-down condition, and Tanlac has filled the bill to me. It helped me almost from the time I began taking it and even the first bottle stopped the fermentation and gas from forming on my stomach.

"I have taken three bottles of Tanlac now and my stomach feels and acts like a new one. My appetite is fine and my indigestion, of years standing, has disappeared entirely. Not only that, Tanlac has toned up my whole system. My old-time energy has returned and I feel stronger and more capable of looking after my business. Tanlac has done a hundred per cent job in my case and I am glad to say so. I believe it's the best medicine ever sold in a drug store for any sort of stomach trouble and it has my unqualified endorsement."

Tanlac is sold in Washington by Peoples Drug Stores and all leading druggists.

FIERY, ITCHY ECZEMA  
IS HEALED RIGHT UP  
WITH SULPHUR

Any breaking out of the skin, even fiery, itching eczema, can be quickly overcome by applying a little Menthio-Sulphur, says a noted skin specialist. Because of its germ destroying properties, this sulphur preparation instantly brings ease from skin irritation, soothes and heals the eczema right up and leaves the skin clear and smooth. It seldom fails to relieve the burning and discomfort. Sufferers from skin trouble should get a little jar of Menthio-Sulphur from any good druggist and use it like a cold cream.

BAD BREATH

Dr. Edwards' Olive Tablets Get  
at the Cause and Remove It.

Dr. Edwards' Olive Tablets, the substitute for calomel, act gently on the bowels and positively do the work.

People afflicted with bad breath find quick relief through Dr. Edwards' Olive Tablets. The pleasant, sugar-coated tablets are taken for bad breath by all who know them.

Dr. Edwards' Olive Tablets act gently but firmly on the bowels and liver, stimulating them to natural action, clearing the blood and gently purifying the entire system. They do that which dangerous calomel does without any of the bad after effects.

All the benefits of nasty, sickening, gripping cathartics are derived from Dr. Edwards' Olive Tablets without gripping, pain or any disagreeable effects.

Dr. F. M. Edwards discovered the formula after seventeen years of practice among patients afflicted with bowel and liver complaint, with the attendant bad breath.

Olive Tablets are purely a vegetable compound mixed with olive oil; you will know them by their olive color. Take one or two every night for a week and note the effect. 15c and 30c.

UNIQUE FILMS  
ON PROGRAM OF  
ACTORS' EQUITY

Broadway Buds Will Pose in  
Picture Called "History  
of Dress."

By WILLENE TAYLOR.  
(Copyright, 1922, by Cosmopolitan News Service.)

NEW YORK, April 25.—Movies will figure in this year's annual show of the Actors' Equity Association with a reel called "An Outline of History of Dress," in which Broadway's prize beauties will parade. Previous to the showing of the film here, May 7, it will be released through the country.

Kenneth Webb, director, is posing the cast at the Cosmopolitan Studio. The girl models are the choicest buds from various Broadway productions.

The reel will display costumes worn by Helen Lyons of the "Music Box Review," Olive King of "Letty Pepper," Doris Lomly of "Good Morning, Dearie," Bernice Acheyman of "The Blue Kitten," Josephine McNellis of "Tangerine," Grace Culbert of "Marjolaine," Gladys Laird of Ed Wynne's "The Perfect Fool," and other representatives of musical shows.

Nancy Deaver, star of "The Wolf's Fangs," which has not yet been released, is waving the wand as fairy queen in the International Feature Service booth at the American Newspaper Publishers' convention at the Waldorf-Astoria. Miss Deaver says she loves to tell bedtime stories to the little folk who have accompanied their parents here and that she would rather have the children adore her than anybody.

William Farnum, the last of the Fox stars to remain in the East, may be sent to the West coast for his next picture. The information has not been given officially, but it is understood he will go as the others have gone before him.

A new picture featuring Jean Paige is expected to be started at the Vitagraph studio, now that Albert E. Smith, president of Vitagraph and husband of Miss Paige, is back from the coast. Smith has not announced the name of the new production, but it will undoubtedly be another superproduction such as he has been accustomed to starring his wife in.

Whether the condition of the film industry, the approach of summer, or simply feminine fickleness, no one knows, but something is driving film stars into vaudeville. Mildred Harris, the ex-wife of Charlie Chaplin, has made her Broadway debut at the Colonial Theater in an act called "Movie Mad," and everyone agrees she caused more comment over her beauty than in all the years she has appeared in the movies. Now Grace Valentine, last seen in "A Man's Home," may be seen at the Hamilton in a comedy playlet by Hal Crane, entitled "The Four Pushers." Of course, Miss Valentine attained fame on the stage long before she went into the movies, but this is her first attempt at vaudeville.

The latest to announce her intention to try the variety stage is Alice Brady. She will stay with vaudeville but two months, playing the Keith circuit in the last act of a popular play. She will open at the Bushwick Theater May 1.

Word has reached Mrs. Godowsky at the Savoy Hotel that her daughter, Dagmar Godowsky, and husband, Frank Mayo, may take a trip in vaudeville.

Mary MacLaren, who appeared in "The Three Musketeers," Betty Ross Clarke, Ben Taggart, May Collins and Mary Thurman, all favorites of the movies, are a few movie folk who are deserting the screen for summer stock companies while the others are seeking vaudeville.

The national board of review here has announced a list of feature films suitable for exhibition for Mother's day and Mother's week, commencing May 14. They are: "The Old Nest," Goldwyn; "Over the Hill," Fox; "One Man in a Million," Robertson-Cole; "Humoresque," Famous Players; "Home-Spun Folks," Associated Producers; "Old Oaken Bucket," Widgunning; "The Good Provider," Famous Players; "Your Best Friend," Warner Bros.; "Turn To The Right," Metro; "Devotion," Associated Producers; "Dollars and the Woman," Vitagraph; "Mother of Mine," Associated Producers; "Scrap Iron," First National; and "Hall the Woman," Associated Producers.

BATHHOUSE JOHN OPENS  
NEW WAR ON FLAPPERS

CHICAGO, April 25.—Up from the lockers of dead memory "Bath House John" Coughlin has brought the first shot of a war on flappers, though at the time the shot was loaded, flappers never had been named.

Twenty-five years ago the Alderman sponsored and saw passed by the Council an ordinance forbidding wearing of knickerbockers by women on the public streets of Chicago.

The ordinance will be the subject of research by City Clerk James T. Igoe, and when it has been re-erected Coughlin plans to ask the Council to pass the necessary order to the chief of police to enforce the relic of the time when women wore knickerbocks as part of a bicycling costume.

"I introduced that ordinance twenty-five years ago, because at that time it was positively immoral for a woman to appear so attired," said Coughlin today, "and morals do not change, even if styles do. We aldermen must protect Chicago from these modern Igorottes."

SAND COLOR AND GREEN  
VOGUE FOR MILLINERY

NEW YORK, April 25.—Sand color and bright emerald green will be the prevailing shades in women's midsummer and fall millinery.

These two colors have just been selected by the metropolitan display men's clubs as the ones to be featured in retail stores throughout the country and shown in display windows here at the summer millinery opening May 2.

They were chosen from a group of twelve colors suggested by the Textile Color Association of America.
